Meeting Date	**20th February 2025**
Agenda Item	**121**

1. Overview

At the last General Purpose Meeting on the 13th of February, a possible revival of the Horticultural Show was discussed. It was explained that this would need to be a joint venture with the Events committee. This committee resolved to recommend a Horticultural Show take place, and that Maltby in Bloom be looked into (see secondary report).

The Horticultural Show will have a budget of £1000 for the 25/26 financial year.
Quite a few people have expressed interest in the Show, including some allotment holder. It has been suggested that the event take place in late August to allow for all crops to be grown fully.

2. Previous Years

I have attached some previous information that we have on recent Horticultural Shows so that a rough understanding of previous events can understood.
