To Consider

1. **Date**
   To be held on Tuesday, 5th November at Manor Field, Maltby.

2. **Budget**
   The budget for the Event is £12,000.00.

3. **RMBC Permission**
   RMBC has granted permission to hold the Event. The RESAG meeting is on the 2nd October.

4. **Fire House Group**
   Fire House Group provide a Risk assessment for the Event.

5. **Fireworks**
   Fireworks – Reaction Fireworks are in their second year of a four-year contract.

6. **Silent Fireworks**
   To consider the option of Silent Fireworks for the event.

   The term “silent fireworks” gets thrown around a lot, but unfortunately, they don’t actually exist. Even low-noise fireworks still make some sound, especially the lift charge that gets them into the air. It’s just not possible to launch a firework without that initial bang.

   Low noise shells also don’t go as high, and they don’t fill the sky in quite the same way. So, for a big crowd or open space, the display can sometimes feel a bit underwhelming, especially if people are used to a more traditional show. To compensate, we’d need to use more effects over a wider area, which can push the cost up. For your event, you’d be looking at around 20 per cent more than a standard show.

7. **DB Entertainment**
   To consider booking DB Entertainment for the Event.

8. **First Aiders**
   VIE Medic Services are booked to provide - 1 x Paramedic, 2 x First responders, 1 x Advanced First Aider, 1 x Emergency Ambulance.

9. **Security**
   Consider a quote to provide 10 guards and a team leader.

10. **Food**
    Consider booking the Scouts to attend the event.

11. **Ice-Cream Van**
    An Ice-cream Van is booked to attend the Event.

12. **Children's Rides**
    Michael Whiting has been booked to provide two free rides.

13. **Event Poster**
    To consider a poster to include the date of the event, location, times and itinerary.

14. **Maltby Lions**
    Maltby Lions have volunteered to act as Stewards for the event. In return, the Maltby Lions have been granted permission from the Council to provide collection buckets.
