1. Background

As a health & Safety requirement, the Council has a duty to cater for all eventualities. Below are three quotes for Evacuation Chairs.

Quote 1

Evacusafe Excel Tracked Evacuation Chair

St John Ambulance

Product Details

- Evacuation chair designed for safe and comfortable evacuation of mobility-impaired people in an emergency.
- Ideal for use in buildings with stairs and can be used on fire escapes, flat surfaces and downstairs.
- Built-in carry handles also allow the chair to be used upstairs; they can also be folded in to turn it into a temporary wheelchair.
- Lightweight yet incredibly strong, the chairs can transport persons of up to 182kg
- The tracks create friction, which acts as a brake to slow the descent and allows for smooth, controlled operation.
